

# Janine Fraser

## Interior Zone

### Academic Background and Education

I hold a Bachelor of Education from Simon Fraser University and a Masters of Art in Education from the University of Phoenix, and a Special Education diploma from Queens University.

### Employment History and Professional Service

I have taught in the Boundary school district for 9 years and am currently teaching Kindergarten at Midway Elementary. Previously, I taught in the Surrey school district for 8 years.

### Community and Public Service

Active in my profession and community, I am a member of the BC Teachers' Federation and am currently the President of the BC Primary Teachers Association, and have been for 5 years. I have also been a BCTF representative for the Ministry of Education's Changing Results for Young Readers initiative, worked on the ADST curriculum writing team, and was a member of both the Classroom Assessment and Provincial Assessment teams. I was a Member-at-Large on the BCTF Executive Committee in the 2013/14 school year. I have been a Professional Development Chair with the Boundary District Teachers' Association and am currently an LR and the Vice President. I have a strong understanding of professional issues. I have been the councilor for the interior zone on the BC Teachers' Council for the past 3 years.

### Election Statement

The BC Teachers' Council sets the standards for teachers in BC. It also examines and oversees how teacher education programs prepare graduates for the ever-changing reality they face in BC classrooms. I know these topics will continue to be a focus for the council into the future, and I know I am the right person to represent teachers on this council because I know this reality well. I am a public school teacher with 17 years experience in the classroom. I have been a teacher in one of the largest urban districts and now am a teacher in one of the smallest rural ones.

On the BC Teacher's Council, I will continue to contribute to the conversation on your behalf and I will represent you with compassion and professionalism. Please re-elect me to be your representative for the interior zone.
